

HERITAGE HILL APARTMENTS

Brooklyn (1)

The Brooklyn (1) is a fantastic two-bedroom, one-bathroom floor plan that offers 860 square feet of living space. The spacious living room offers a large glass door to allow natural light to flood the space and opens up to the dining room / kitchen.

The well-designed, user friendly kitchen offers lots of countertop and cupboard space as well as updated appliances. Both bedrooms offer ample space to accommodate any need. The master bedroom offers our largest walk-in closet available. Can't you imagine yourself living the good life at Heritage Hill Apartments?
